NEWSLETTER

MARCH 1, 2016

It is just a reminder that it's time to pay your annual dues again. They are due between January 1st thru March 31st each year. It is your responsibility to pay your dues. The tribe will not be responsible to remind you. Dues are \$20.00 each year. If you are behind on paying your dues, your name and file will be taken off our roles.

Also, in the near future we will be going through everyone's files and if your pedigree chart in your file is not completed with names and dates of all family members, you will have the opportunity to come by our office by appointment only and make sure your file is in order and we will go over it together to make sure everything is correct.

Also this year, we will be issuing new ID cards. The cards will have your picture and will also have an expiration date, so you will need to keep your dues paid up to date. Those of you who have not paid their dues each year and if your pedigree chart is not completed, you will not receive a new ID card. Also, you may call (318) 491-2021 and make an appointment to bring in a new picture if you want to change it on your new ID card or you can just mail your new picture to the office at the address above.

We are still in the process of moving to our new location at 5496 Highway 190 West in DeRidder. There's still a lot of work to do in order to get everything running smoothly. We do need your cooperation in this matter. We are trying to work around this situation.

So, just a reminder that time is running out and you must send your dues in before March 31st or you could be in danger of losing your membership.
